GBPC208/0516 Minutes of the Extraordinary Parish Council Meeting held on 24th April 2016 - Decision - It was proposed and resolved to accept the minutes of the meeting held on 24th April 2016 as a true record. The Minutes were duly signed by the Chair. GBPC209/0516 Financial Overview for the last financial year 2015/16 - Update from the Clerk regarding -Payments against budget - Information attached - The Clerk advised that the previous spreadsheet format meant that receipts are not reflected in the year-end payment figures against budget eg. the transparency fund grant was only shown as an overall receipt rather than actually reducing the figure for the cost of the printer and laptop. She advised that the format for 2016/17 would be updated to allow for receipts to be shown against spend and budget figures. When asked, the Clerk confirmed that her other PC have provided their own laptop and that the day to day running costs of the printer, which was purchased through the GBPC grant, are shared on a 50/50 basis. Receipts - Information attached. The Clerk advised that although there was a higher than anticipated receipts total, £2000 of this is the grant from Cllr Truelove for the cost of a new defibrillator, which has not yet been purchased and is, therefore, ring fenced. Annual Return Information – Information for the Annual Return and a significant variations form (both attached) were provided prior to the meeting. **Decision** – It was unanimously agreed for the Clerk to submit the Annual Return information as per the draft. Both the Annual Return and a significant variations form were signed by the Chair and to be included in the information to go to the Internal Auditors. GBPC210/0516 Clerks Update regarding matters arising from the meetings of 22nd March and 22nd April 2016 -Lower Farm Road flooding - Cllr Hines advised that the channel in the road had been flushed through but that as soon as there had been further rain, there had been further flooding. The Clerk advised that she had not received a response from Highways Dept. and asked that Cllr Hines takes photos should this situation arise again. Dangerous paving by Mace Shop – It was reported that this has now been repaired Community Speed Watch - The Clerk reported that the meeting with the other Clerks and PCSO has not taken place yet IV. Cesspit Insurance Claim – The Clerk advised that the ongoing situation with the Insurance Company was taking up a very large proportion of her hours. She advised that the Insurance Company were not happy with the information received from the Drainage Company and had instructed a Subsidence Expert to visit site and provide advice as to the cause of the damage. The Clerk advised that she is waiting for a further update from the Insurance Company but she had spent time on site with the Subsidence expert who had subsequently sent a letter advising of the following a. In his opinion, the re-build value of the VH is currently only 75% of the cost and the VH is deemed to be underinsured which could

result in a possible 25% contribution required towards any future

claims

	 b. In his opinion, the upgrade recommended by the drainage company is excessive and he is making further enquiries as to the reasoning behind their recommendations c. The wording on the Insurance Policy does not specifically mention the word Cesspit or Septic tank and only refers to 'buildings'. V. Defibrillator – The Clerk advised that she had contacted the Director at Tingdene again (the owners of Wixfield Park) and had received no response to any emails or calls since February. She advised that she had not ordered the new Defibrillator due to the need to install both units at the same time and not having the space in her house to store both units. A Cllr advised that a resident of Wixfield Park had offered to have the AED installed on his Park Home should Tingdene not agree and it was agreed to re-visit this item in July VI. Five Year Action Plan – The Clerk advised that she had now updated this with the progress so far and will upload to the website VII. Policies adopted at last meeting – All now uploaded onto website VIII. Contact with Jo Churchill MP – The Clerk had replied to the letter from Jo Churchill and the response was that she may be able to attend a PC meeting during the Parliamentary Recess in the summer IX. The Paddocks, Little Hill, Great Bricett – The Clerk advised that she had thoroughly examined the historical planning file which dates back to 2003. She advised that there is a letter and email on file from a Planning Officer in 2013 which clearly states that, although there is a breach of planning and the building is unlawful, due to the fact that it dates back more than 7 years, the enforcement team has closed the case. The Clerk advised that she had sought the advice of SALC and Cllr Whybrow and the response so far was that several of the items in the recently received complaint were, although undoubtedly extremely difficult and unpleasant, were in fact neighbour disputes rather than Parish Council or planning issues. It was a	Clerk

GBPC212/0516	Co-option of new Councillor (s) - There are currently two vacancies as a result of the resignations of Cllr James & Cllr Horne and it was reported that, following contact with various local residents, no applications or nominations had been received. Decision – It was agreed to publish the vacancies on the website, the village noticeboards, within the Four Parish Magazine and that the Clerk would contact MSDC regarding the vacancies.
